Your duties

- a) you must take all reasonable steps to prevent loss, damage or an accident and keep the buildings in a good state of repair.
- b) you must tell your broker:
 - within fourteen (14) days of you becoming aware about any changes in the information you have provided to us which happens before or during any period of insurance;
 - at least fourteen (14) days before you start any conversions, extensions or other structural work to the buildings.

When we are notified of a change or of any planned structural work we will tell you if this affects your policy. For example we may amend the terms of your policy or require you to pay an additional premium. In certain circumstances we may cancel your policy in accordance with the "Cancelling This Insurance" section of the policy document. If you do not inform us about a change it may affect any claim you make or could result in your insurance being invalid

Period of Insurance

The period covered by this insurance is normally for twelve (12) months. Renewal will be subject to the terms and conditions that apply at the time of renewal.

Cancellation

You can cancel this insurance at any time by writing to your broker.

We can cancel this insurance by giving you thirty (30) days' notice in writing. We will only do this for a valid reason (examples of valid reasons are as follows):

- non payment of premium
- a change in risk occurring which means that we can no longer provide you with insurance cover:
- non-cooperation or failure to supply any information or documentation we request; or
- threatening or abusive behaviour or the use of threatening or abusive language.

Refund of premium

This insurance has a cooling off period of fourteen (14) days from either

- the date you receive this insurance documentation; or
- the start of the period of insurance

whichever is the later.

If the insurance is cancelled then, provided **you** have not made a claim, you will be entitled to a refund of any premium paid, subject to a deduction for any time for which you have been covered. This will be calculated on a proportional basis. For example, if you have been covered for six (6) months, the deduction for the time you have been covered will be half the annual premium.

If **you** cancel this insurance outside the cooling off period, there will be an additional charge, as stated in the schedule, to cover the administrative cost of providing the insurance. If we pay any claim, in whole or in part, then no return of premium will be allowed.

Connoisseur Household Insurance Policy Summary Statement - 5

Claims

If you wish to make a claim, you should notify your broker without delay, giving full details of what has happened. Please refer to the "Things you must do" in the "How to make a claim" section of the policy documentation for further details.

How We Settle Your Claim

Buildings - We will pay the full cost to repair or replace the loss or damage providing the buildings have been maintained in a good state of repair and the sum insured is adequate to cover the full cost of rebuilding the home.

Contents - Providing the sum insured is adequate, we will at our option pay either the full cost to repair or, in the event of total loss or destruction of any article, we will pay the cost of replacing the article as new as long as you have paid or we have authorised the cost of replacement. This basis of settlement does not apply to clothes or pedal cycles where we will take off an amount for depreciation.

The maximum we will pay you in respect of any item/section will be the sum insured shown in the schedule attaching to the policy document.
